Power Her Dreams

Every girl's future holds promise. One girl. One mentor. A promising future unlocked. Unlocking her confidence — through mentoring and exceptional experience — bringing her dreams to life.

“Power Her Dreams” Every girl deserves to have a dream and have the ability to see that dream fulfilled. Girls today navigate life and deal with a range of ups and downs - depression, new friendships, financial strain, first dances, and wanting to be seen alongside a lack of community. This roller coaster can halt or spur their growth and a positive adult presence in their lives makes all the difference. Having support, encouragement, and opportunities from mentors turns dreams into realities. Mentors shine a light where the darkness of fear, self-doubt and unworthiness hide and girls feel the power of mentorship in profound ways. Girls journey through life with a trusted shield and as a Girl Scout, mentorship opens a world of dreams fulfilled.

This year's Tribute to Achievement Dinner brings the Girl Scout Mission to life. Join us as we celebrate community and corporate leaders who champion girls and women, and who act with vision and intention to make our world a better place.
