CHICAGO ARCHITECTURE FOUNDATION

A New
Century
of Progress

33RD ANNUAL GALA → ← THE FIELD MUSEUM

The Chicago Architecture Foundation celebrates *A New Century of Progress* at the 33rd Annual Gala. With a nod to the theme of the 1933-34 World's Fair and the spirit of innovation, CAF is proud to be a part of the continuing architectural legacy of the city of Chicago. This year we honor the Exelon Corporation for their Leadership in Energy and Environmental Design (LEED(r)) Platinum Commercial Interiors (CI) certification - the highest environmental rating awarded by the U.S. Green Building Council. We congratulate them for architectural innovation and their commitment to the environment. CAF is also pleased to honor Ricker-Murphy Development, LLC for their sensitivity to the integrity of the existing neighborhoods in their developments, their renovation and adaptive re-use of historic structures, and their philanthropic support of the Chicago Public Schools.

For over 40 years, the Chicago Architecture Foundation has been teaching visitors and locals alike the story of Chicago's architecture. Through a comprehensive program of architecture tours, exhibitions, lectures, special events, and adult and youth education programs, CAF not only seeks to enhance appreciation of Chicago's outstanding architectural legacy, but to also promote understanding and facilitate dialogue about the importance of the built environment in shaping the city's future.

Silent Auction and Raffle

Fabulous items will be available for bidding including artwork, travel packages, and other items perfect for the architecture and design enthusiast. Be sure to purchase your raffle tickets as well for the chance to win an original piece of jewelry from Edward Ford and an architecture study trip for two to Miami with CAF. Tickets are \$50 each or 3 for \$100.
